

RA SPONSORSHIP – PREDICT MEMBERS MEETING

We are making \$10,000 available to sponsor Research Assistants to attend the PREDICT Members meeting in 2024 (October 31 – 2 – 5.30 & November 1 – 9.30 – 3.30pm). This will be used to fund the return flight and accommodation only, for approximately 10 RAs **(taxis to and from, the PREDICT dinner and other incidentals will not be funded)**.

Funding criteria:

- Research Assistants only – must be PREDICT members
- Must be from sites actively involved in some PREDICT research
- Must be from sites involved in studies with limited or no funding
- Only one RA per site will be funded
- Funding will only be for flights and accommodation (not other incidentals)

If there are more applicants than funding available, then places will be allocated with consideration to the overall funding each hospital has received in the past year (i.e. preference will be given to sites who have received less research funding over the last 12 months).

DEADLINE FOR APPLICATIONS: 27/9/24.
